

SALE OPPORTUNITY WEBSTERS GYPSUM PIT VICTORIA

- ✓ **Established Victorian gypsum opportunity** comprising Exploration Licence EL006759 and four Prospecting Licences PL007925, PL007929, PL007930 and PL007931 covering a combined area of approximately 12km², located in the Rainbow / Yapeet gypsum region of north-west Victoria.
- ✓ **Significant gypsum tonnage estimate of approximately 4.3 million tonnes**, offering scale for a purchaser seeking exposure to an established industrial minerals product.
- ✓ **Premium bagging-quality, natural gypsum product with very low sodium content**, suited to agricultural and industrial markets including soil conditioning, calcium and sulphur supplementation, and cement-related applications.
- ✓ **Dry gypsum product supporting year-round production**, operational flexibility, reliable supply and consistent customer servicing across seasonal demand cycles.
- ✓ **Established customer base**, reducing market-entry risk and providing a strong foundation for ongoing sales, repeat business and future growth.
- ✓ **Clear opportunity to expand production, distribution and market reach**, leveraging the project's existing tenure, product quality, customer relationships and strategic location.

**Further information
available on request**
